As, as long as its healthy! Hahahahaha!
I'm fine with four boys! Hahaha

That's right~
it's fine as long as the
baby is healthy~!

OUR FAMILY'S YOUNGEST,
LALA THE FOURTH CHILD IS GROWING WELL
INSIDE MOMMY'S TUMMY~ ^^;

Don't you become very curious about
the baby's sex when you become pregnant~
They say that you can tell
the sex when the baby is about sixteen weeks~
Although there are some people who
say they can tell at twelve weeks,
the opinion is that it is not accurate.
Of course what all parents want, regardless of sex,
is that the baby is healthy and growing well ^^
